Dear Ms. Benitz:

This is in response to your letter of April 17, 2013, regarding the Amended September Monthly report for the House Majority Fund.

It was an oversight that the \$15,000 contribution to the Democratic Congressional Campaign Committee was not included in the original September Monthly report. Our compliance person was not aware that the check had been written until later when the check had cleared the bank and the account was reconciled. This was a completely inadvertent omission and as soon as it was realized, the Amended report was filed.

We have taken steps to make sure this kind of error does not occur in the future.

If you need any additional information, please let me know.

Sincerely,

Vickie Winpisinger, Treasurer
